CALVARY CHAPEL CARDUNAL CREATION MUSEUM TOUR

Monday, July 20, 2015

Prepare to believe!

ABOUT THE MUSEUM

The state-of-the-art 70,000 square foot museum brings the pages of the Bible to life, casting its characters and animals in dynamic form and placing them in familiar settings. Adam and Eve live in the Garden of Eden. Children play and dinosaurs roam near Eden's Rivers. The serpent coils cunningly in the Tree of the Knowledge of Good and Evil. Majestic murals, great masterpieces brimming with pulsating colors and details, provide a backdrop for many of the settings.

INSPIRING EXHIBITS

The area within the museum has been divided into unusually configured spaces that allow for personal interaction with each of the 160 exhibits. Several parts of the museum, including the stunning forty-foot high portico with its cliff wall and floor-to-ceiling glass windows, flaunt open spaces and remarkable designs.

Walk through the Garden of Eden. See the scaffolding, smell the freshly-cut timbers in the busy work site of Noah's Ark. Dig up dinosaur bones—or come face to face with *T. Rex*.

THEATER EXCITEMENT

The themes of the exhibits resound in the theater presentations: *Men in White*, *Six Days of Creation*, *The Last Adam*, and *Dinosaurs and Dragons*. Our Special Effects Theater, complete with rumbling seats and rising mists, takes visitors on a fantastic quest to find the real purpose and meaning of life.

Each seat is a rocket launching pad in our Stargazers Planetarium. Prepare for lift-off. The digital projector showcases a spectacular gravity-defying spaceflight, a thrilling ride billions of light years away to the vast outer regions of our universe.
